We use quality plywood and hardware which are 100% waterproof, termite proof and are ideally suitable for all interior furniture making.

Wardrobes' Designs

Our architectural Designed wardrobes are one of the prime furniture pieces in a bedrooms, study rooms, where ever it is necessary. Everybody has their own idea of having the perfect wardrobe. Some prefer bare minimum, while others want to have massive wardrobes.

We have ample choices to satisfy all your needs for your storage . Our Architectural designed wardrobes can double your space utilization by giving your home with contemporary and aesthetic look.

Furniture Designs

We have a wide range of variants in Wooden Frames / Doors, sofa, dining tables, tv units, bed and cot from solid wood to Hollow core. Our quality furniture manufactured for unchanged durability. Varieties of Frames & Doors are manufactured with Teak, Burma Border, Burma Teak Doors, Southern Yellow Pine Wood, Beach Wood, Moulded Skin type, Membrane, PVC Doors, Veneer Doors and Laminated Doors.

Our Main / Bed Rooms / Toilet Doors has created a reputed niche in the market.

Commercial Interiors

Acoustic ceilings do help to dampen noises between floors and they can be painted to match the decor of the room. One drawback with traditional acoustic ceilings is water stains from roof leaks. The pooling water can create a buckled appearance or cause an individual panel to fall out unexpectedly.

- POP Works / Acoustic Panels
- Glass / Wooden Partitions
- Cubicles / Work Stations
- Canopy & MS Works
